Tuesday 12th September 2017

Dear Parents/Carers

On Monday 25th September we will be celebrating 'The European Day of Languages.' The aim of this day is to encourage language learning across Europe. In school, we will be celebrating throughout the day in several different ways. Each class have been allocated a specific county. These are as follows:

Reception - Vatican City (yellow and white)

Redacre - Turkey (red and white)

Fleetrock - French (blue, white and red)

Featherbed - German (black, red and yellow)

Milbanke - Spain (red and yellow)

Vane Tempest - Sweden (blue and yellow)

Byron - Italy (green, white and red)

George Elmy - Portugal (red and green)

Elliot Gala - Croatia (red, white and blue)

We would like children to wear clothes which feature the colours of their chosen country. The colours are included in the list above. We would like to ask for a £1 donation (per family) to go towards modern foreign language resources for our school.

Thank you for your continued support

Miss M Cooper
